

Mark had the privilege of being able to travel to Bangladesh and Nepal in February/March this year. He spent time with George and Biva, and celebrated some of the many birthdays they have then. *(They have 5 birthdays in February!)*

Mark also went shopping with Biva, for a much needed new cooker! Can you imagine cooking for 11 people each day on just 2 gas rings?

He then travelled to see some of our school projects. **Immanuel School**, here he enjoyed his time with the younger children, as they all wanted to sing their favourite songs....as well as learnt how to played Hide and Seek the staff were very amused 😊

Jehova School – Mark took time with the slightly older children, checking they could recall his last visit, and the games, they played then.

Mark then travelled to Kathmandu, where he visited some of the children who are being supported through our Educational Project.

On the way back to Kathmandu he bumped into two lads, one of which we had supported at Jeetgarh, a very long time ago, how awesome was that. Thank you again for ALL your love support and encouragement. God bless

Mark & Julie
